

# Be the difference, with a career in care through Wiltshire Council

- Earn up to £30,000 per annum
- Work from home
- Full and part time opportunities available
- Positions available across Wiltshire
- Support, training and supervision provided

Can you offer a child with disabilities or healthcare needs the opportunity to experience family life in a safe and nurturing environment?

Wiltshire Council is starting a new project offering respite care to children with disabilities, and is looking for professional, experienced carers.
